

# Aquí Hablamos Tequila

## Blanco

This is the blue agave spirit in its purest form. It is clear and typically not aged, where the true flavors, intensity and natural sweetness of the agave are present.

## Reposado

Tequila rested in wood barrels between two months and a year, resulting in a golden hue with a balance of agave and wood flavors.

## Añejo

Tequila aged for one to three years resulting in an amber color and a smoother, richer and more complex flavor.
